Allowable subject matter

Claims 11-26 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art neither discloses nor suggests the following limitations, in combination with the remaining elements disclosed in the independent claims:

a capacitor forming electrode formed over the second semiconductor island with insulating film interposed therebetween, wherein the gate electrode and the capacitor forming electrode are formed in a same conductive layer and electrically connected to each other such as required by claims 11 and 14; and

a current supply line extending across the gate wiring and electrically connected to one first and second impurity regions of the second thin film transistor, a capacitor electrically connected between the gate electrode of the second thin film transistor and current supply line wherein the capacitor is covered by the current supply line such as required by claims 19 and 23.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
